

Christopher E. Coleman

Chief Strategy Officer

Christopher Coleman is Partner and Chief Strategy Officer at IntegrityM. In this role, Mr. Coleman leads the company's executive team in the ongoing development, implementation, and communication of IntegrityM's overall business strategy.

A successful executive with more than 20 years of experience, Mr. Coleman has provided advisory services and management oversight within the healthcare industry for numerous organizations, including federal and state government agencies and private sector businesses.

Prior to joining IntegrityM, Mr. Coleman served as lead advisor in the planning, deployment, and implementation of a compliance assessment tool for the U.S. Department of Defense TRICARE Management Activity, and was responsible for the development of protocols for assessing compliance and training military health personnel worldwide. Mr. Coleman is a recognized expert on privacy and security requirement compliance under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, acting as an expert witness.

Mr. Coleman coauthored HIPAA Self-assessment and Planning: A Guide to the Privacy and Security Standards and has been a regular speaker at national conferences.

Mr. Coleman received a Bachelor of Science from Stephen F. Austin State University, a Master of Public Health (MPH) from Saint Louis University School of Public Health, and Professional Certification in Nonprofit Management from The University of Texas at Austin. He is a member of the Health Care Compliance Association, and has been inducted into the National Public Health Honors Society.
