

Beverly Rohtert

Program Integrity and Analytics Director

Beverly Rohtert is the Program Integrity and Analytics Director at Integrity Management Services, Inc. (IntegrityM).

Prior to joining IntegrityM, she established herself as a client-focused and results-driven leader in healthcare. She has over 25 years of experience managing investigations, compliance, payment integrity efforts, program management, and business development experience. Beverly is a Certified Fraud Examiner (CFE).

Beverly's experience in fraud, waste and abuse prevention spans a diverse array of healthcare entities, including pharmacies, inpatient facilities, durable medical equipment suppliers, physicians, and outpatient facilities. She has led and participated in provider, supplier, and beneficiary site visits and audits, and her work has contributed to the identification of over \$1 billion in Medicare/Medicaid overpayments.
