

## Post Award Oversight & Monitoring Of Government Grant Programs

### *Aligning Uniform Guidance & Medicaid Agency Practice*

We have a proven track record of strengthening agency efforts and outcomes of grant oversight and monitoring through:

- innovative post-award models
- program performance metrics
- risk assessments
- internal controls
- audit and monitoring guides
- reporting and evaluations
- comprehensive grantee desk reviews and site visits
- grantee training and technical support

Let our team of grants experts, including former **OIG auditors, Medicaid Grant Managers, Certified Grants Management Specialists (CGMS), CPAs, and Certified Fraud Experts (CFE)**, bring the necessary experience and knowledge to your program to support the alignment of agency practice against the Uniform Guidance for Federal Awards.

*Need an expert to help navigate federal grant guidance for your agency?*
