

IntegrityM

Where integrity meets excellence.™

Our Mission

To empower, enhance, and elevate...

Our goal is to *empower* clients to deliver on their missions, *enhance* program/payment integrity initiatives, and *elevate* best practices utilizing decades of experience in **healthcare fraud, waste, and abuse (FWA)**. At Integrity Management Services, Inc. (IntegrityM), we strive to safeguard the integrity of healthcare systems while prioritizing the protection of our clients and beneficiaries.

Our Solutions

We learn new approaches, leverage expertise, and lead with integrity...

IntegrityM, an award-winning Certified Women-Owned Small Business, specializes in optimizing payment and program integrity for both Federal and nonfederal programs. Our healthcare expertise spans across various domains, including **Medicare (Part A, B, C, and D), Medicaid, Managed Care,** and the **Marketplace**. With over 20 years of experience, our team excels in consistently identifying and mitigating numerous cases of Medicare and Medicaid improper payments, program vulnerabilities, and potential FWA. Our solutions include statistical and data analysis, coding and medical reviews, fraud investigations, audits, compliance reviews, grants management, training and education, and technology solutions.

Our Team

We conduct business with heart and integrity...

For nearly two decades, IntegrityM has been a leader in program/payment integrity services, FWA prevention and detection, and compliance services. We serve a diverse range of clients, including **government agencies, health plans,** and other **healthcare providers**. Our team of investigators, auditors, medical review nurses and coders, statisticians, data analysts, and Medicare and Medicaid subject matter experts converge expertise and experience providing exceptional customized solutions.

We take pride in our in-depth knowledge and application of healthcare regulations, identification of the latest fraud schemes, and analysis of large datasets, combined with agility and adaptability, allowing us to rapidly meet our clients' program needs.
